To the Webmaster
Dear Sir,

Cease and Desist Order

It has come to my attention that you, as the webmaster of the BSS, are republishing or causing to be republished, on a website located at sundialsoc.org.uk, certain elements of original content, text, data and images from ppowers.com without prior written authorisation; that you are operating incorporated software without full adherence to its terms of use and further that you are claiming copyright on this republished content.

Until such use may be authorised between us or the material is accessed solely by a link to ppowers.com/cheltenham.htm, your continued use, without my specific written approval, of each item of original material from ppowers.com, is in violation of copyrights owned by me. If you do not immediately remove the copyrighted material from sundialsoc.org.uk, and notify me in writing that you have done so, I shall have no choice but to make representation to Arvix, LLC, Santa Rosa, CA under the terms of the Digital Millennium Act (USA), 2008, and if necessary to the search engines and to pursue other legal action in the USA or UK.

I require the copyrighted material to be removed and written notice given that such has been removed, by no later than June 15, 2012.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Patrick Powers', with a small dot at the end.
